

tesa Aluminium Tape 56223-0-0

10m:50mm

benefits	heat-and cold resistant high dhesive strength age-resistant flexible
reason why	thin aluminium backing acrylic adhesive no liner
technical data	aluminium
adhesive	acrylic
thickness	0,1 mm
adhesive strenght	> 10N/25mm
tensile strength	80 N/25mm
elongation at break	2-3%
temperature resistance	'-60° - 140 ° C'
